

Post-16 provision

Neston High Sixth form offers a large range of courses covering many core subjects at Level 3 (A Level and equivalent). Our aim is to provide students with the opportunity to continue their education in a creative, supportive and challenging environment and to help equip them with the skills and qualities needed to meet the demands and challenges of adult life in the 21st century.

The detailed list of what we have to offer are available on the website or can be found by clicking here. (<https://www.nestonhigh.com/page/?title=Sixth+Form+Options&pid=31>)

There are many local colleges and sixth forms in the area who also offer a range of courses. Please click the links for more details.
