

## Safeguarding Information for Students During School Closure

Dear Students

Our highest priority during school closure is that you and your families remain safe and well during this unprecedented time. To this end, please note the following points for your information:

- While you are staying at home, we are aware that you will spend a significantly increased amount of time online. The [Thinkyouknow](#) website has useful advice and resources for staying safe online.
- We are also aware that the safeguarding of good mental health is a key priority for students during this time. At the following link - [www.annafreud.org/on-my-mind/](http://www.annafreud.org/on-my-mind/) - you will find a wealth of youth support services and resources to support young people's mental health and well-being.
- If you are concerned for your own safety during school closure, please remember that you can call Childline on 0800 1111. Childline's website [www.childline.co.uk](http://www.childline.co.uk) also offers a 1-2-1 online counsellor chat service. If there is immediate or imminent threat to your safety, you should always dial **999** in an emergency.

To share these concerns with school, please email [safeguarding@nestonhigh.com](mailto:safeguarding@nestonhigh.com) – your email will be received by the Designated Safeguarding Lead and the Assistant Safeguarding Lead who will process your concern in consultation with their team. **Please note that your concern cannot be treated anonymously via this email address**

- If you wish to email a member of staff about your remote learning, emails MUST be sent via your official school email address. Staff will not be able to reply to emails sent from your personal accounts. If you are having any difficulties accessing your school email account, please click the following link: [Student login details & IT Support](#) .

I hope this communication finds you and your families safe, well and in good health.

Mr S Nuttall  
Assistant Headteacher / Designated Safeguarding Lead
