OPIN	eparticipation tool	Liquid Democracy	Free	<a href="http://www.opin.me">www.opin.me</a>	Digital youth participation empowers young people to become active citizens from the local to European level. However, the positive effects only unfold when the participation process is run professionally – just to use digital tools is not enough to inspire young administrations and youth organizations to collaborate. Unfortunately, potential initiators often lack the experience, personnel and financial resources needed to plan and conduct a successful e-participation project. This is a reason why first-time pilot projects may fail due to the many unknown challenges and pitfalls, leading to frustration among participants.
