

Dear Parents/Carers,

We've all had to adapt to new ways of working, so we wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

To help us make sure we're providing the right support for you and your child, we'd like to know your thoughts on our approach to home learning.

This will help us to plan and deliver an effective home learning curriculum to ensure that our students make as much progress as possible during these unprecedented times. By answering our questions, you will help us to:

- Find out what we're doing well and where we could do better
- Make sure we're meeting your needs and the needs of your children

Please take the time to complete this survey by clicking [HERE - Home Learning Survey 2020](#) .It should take you no more than 5 minutes to complete.

Please fill out the survey by **Monday 1st June 2020**.

This survey has been sent to the Priority 1 contact of each student to avoid duplication of answers. Your replies will be treated in the strictest confidence.

Your feedback is very important to us.

Yours sincerely,
